Living Forever Is Not Just a Dream

You really can live forever, happily, on earth. Let this exciting book help you find this promise in your Bible. You'll also learn why we die, and why we won't have to die in the future if we learn what to do now.

The book's 256 pages are filled with over 150 illustrations, most of them in beautiful color. Only $2.50.

Please send me the 256-page, hardcover, color-illustrated book *You Can Live Forever in Paradise on Earth.* I enclose $2.50 (U.S.)
